**"I am a 46 year old woman and an aggravated sexual assault SURVIVOR. The day I was raped was the day my rapist drowned my family and I in pain... When I was taken to the hospital, a young lady introduced herself as a DARCC advocate. Through the chaos, she stayed with me through the difficult process. Healing isn't quick nor easy. The first day of counseling, I arrived broken not knowing how I would survive this. One of my first thoughts was "How can DARCC help my family and myself heal?" I am here to tell you that they were a huge support."**
